Reawaken Hymns

## Intro/Interludes

E F#m A G#

## Verse 1

E A  
He leadeth me, O blessed thought,  
C#m B  
O words with heavenly comfort fraught.  
E A  
Whate'er I do, where'er I be,  
C#m B E  
Still 'tis God's hand that leadeth me.

## Chorus

E B/F# A  
He leadeth me, He leadeth me,  
C#m B  
By His own hand He leadeth me.  
E B/F# A  
His faithful follower I would be,  
C#m B E  
For by His hand He leadeth me. {end\_of\_chorus}

## Verse 2

E A  
Sometimes 'mid scenes of deepest gloom,  
C#m B  
Sometimes where Eden's bowers bloom,  
E A  
By waters calm, o'er troubled sea,  
C#m B E  
Still 'tis God's hand that leadeth me.

## Verse 3

E A  
And when my task on earth is done,  
C#m B  
when, by thy grace, the victory won,  
E A  
And death's cold wave I will not flee,  
C#m B E  
since God through Jordan leadeth me.
