## Intro/Interludes

**D Em G D/F#**

## Verse 1

**D**  
Beneath the cross of Jesus  
**A** **D**  
I fain would take my stand.  
**Bm** **G**  
The shadow of a mighty rock  
**Em** **D** **D/F#**  
Within a weary land.  
**D**  
A home within the wilderness,  
**G**  
A rest upon the way.  
**A** **D**  
From the burning of the noontide heat  
**D** **A** **D**  
And burdens of the day.

## Verse 2

**D**  
Upon the cross of Jesus,  
**A** **D**  
Mine eyes at times can see  
**Bm** **G**  
The very dying form of One  
**Em** **D** **D/F#**  
Who suffered there for me.  
**D**  
And from my stricken heart with tears  
**G**  
Two wonders I confess,  
**A** **D**  
The wonders of redeeming love  
**D** **A** **D**  
And my unworthiness.

## Verse 3

**D**  
I take, O cross, thy shadow  
**A** **D**  
For my abiding place.  
**Bm** **G**  
I ask no other sunshine than  
**Em** **D** **D/F#**  
The sunshine of His face.  
**D**  
Content to let the world go by  
**G**  
To know no gain nor loss.  
**A** **D**  
My sinful self my only shame,  
**D** **A** **D**  
My glory all the cross.
