Reawaken Hymns

Key: F (C)

Capo 5

## Intro/Interludes

C

## Verse 1

C            G            F            G  
When I survey the wondrous cross  
C            G            F            G  
On which the Prince of glory died,  
C            G            F            G  
My richest gain I count but loss  
C            G            F            C  
And pour contempt on all my pride.

## Verse 2

C            G            F            G  
Forbid it, Lord, that I should boast,  
C            G            F            G  
Save in the death of Christ, my God.  
C            G            F            G  
All the vain things that charm me most,  
C            G            F            C  
I sacrifice them through his blood.

## Verse 3

C            G            F            G  
See from His head, His hands, His feet,  
C            G            F            G  
Sorrow and love flow mingled down.  
C            G            F            G  
Did e'er such love and sorrow meet,  
C            G            F            G  
Or thorns compose so rich a crown.

## Verse 4

C            G            F            G  
Were the whole realm of nature mine,  
C            G            F            G  
That were an offering far too small.  
C            G            F            G  
Love so amazing, so divine,  
C            G            F            G            C  
Demands my soul, my life, my all.
